Experience Letter

To whom it may concern

I highly recommend Ms. Purva Aggarwal as a candidate for employment. She completed placement experience as Financial Analyst with Mayfair Equity Advisory Ltd. from July 1st, 2019 to May 22nd, 2020.

She was responsible for financial modelling, delivering strategic advisory, conducting extensive research and writing specialised reports for growth seeking companies. She assisted us deal pipelines in private equity, debt financing, M&A and distressed assets. We recommend her business development skills as she represented the company in networking events in the corporate, diplomat and industry circles.

Purva showed utmost dedication in her role and proved to be an asset to our company. Also, it's a pleasure sharing that her conduct has been excellent during her tenure. We see Purva will be an asset to the company and has my highest recommendation.

If you have any further questions with respect to her work profile, please do not hesitate to contact me.

We wish the best for her future assignments.

Sincerely,
