

Letter of Completion and Recommendation

Purva Aggarwal

Summer School Enrollment No: 37972692014POF

Purva Aggarwal successfully completed the Gold at18 Summer School Program for the year 2014-15.

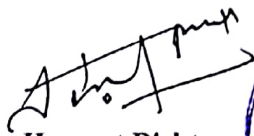

The two month 'Training cum Internship' program was offered to twenty five selected candidates shortlisted through a written exam and a subsequent interview.

Gold at 18 Program is aimed at establishing a recognized standard of knowledge and competency for entry level professionals in the Financial Service Industry and is offered by International Institute of Financial Markets Limited.

She successfully cleared all the following modules.

- Advanced Market Economics
- Fundamental Analysis of Commodity as an Asset Class
- Advanced Technical Analysis- including Price Patterns and Indicators.
- Financial Market Trading Strategies including Option Strategies.

We found her to be an attentive and an intuitive team player. On behalf of Gold at 18, I wholeheartedly recommend Purva, as a prospective finance professional. I can think of few interns whom I would recommend as highly. Please contact me if there is anything else that I can do on her behalf.
